EDITORIAL

This year the Indian Village Annual is dedicated to SMILES! When you're walking down the hall and someone smiles at you, it is instant communication, happy and enjoyable communication. A smile can break barriers for miles and miles around.

We have worked hard and patiently on this annual; and even when times and deadlines were frustrating, we came out of it with a smile on our face. So, now our last words to you are that as you look through this annual, keep your lips in a broad curve upwards and smile!

What's wrong with you, Tom?

Excited Smiles

Steve suddenly becomes brave and with a little help from Deb is the first to fly over the railing.

Dave finds it very exciting to throw girls over the railing.

If you jump, screams Karen, then so will I!

Mike gives it the "old kick of the foot" and drops to the ground.

BOTTOMS UP!

Now it's his turn and Dave's not shy at all. Apparently he had to follow THAT GIRL!

Jackie almost chickens out at the very last moment.

Curt likes his girls upside-down. Give her a shove and off she'll go!

WHAT A MESS!!! By the looks on their faces, I believe that they wished they had stayed in class??

Some people just fall over school! This year some of our hyperactive seniors decided to climb around the gym balcony and force each other to jump off the railing! (What some seniors won't do for a kick every once in awhile!) It worked and everyone had a bouncing time.

Junior Class Play

Full cast

Oh, Dearie!

I belong to these hippies.

I don't believe it!

This year the Junior Class presented an up to the headlines story on the hippies of America -- funny and far-out, but still warm and wise. Susie Stevenson comes to search out her brother among the hippies. She thinks she can find him by opening a hippie luncheonette, "The Eat In." Susie's brother does turn up and happens to be the leader of the hippies. She convinces him that his hippieness is just a phase of youth.

First my brother, now me.

"Hip Hippie Hooray"

Come alive with Pepsi!

How about it, Sweetie?

Gee, if only . . . . .!

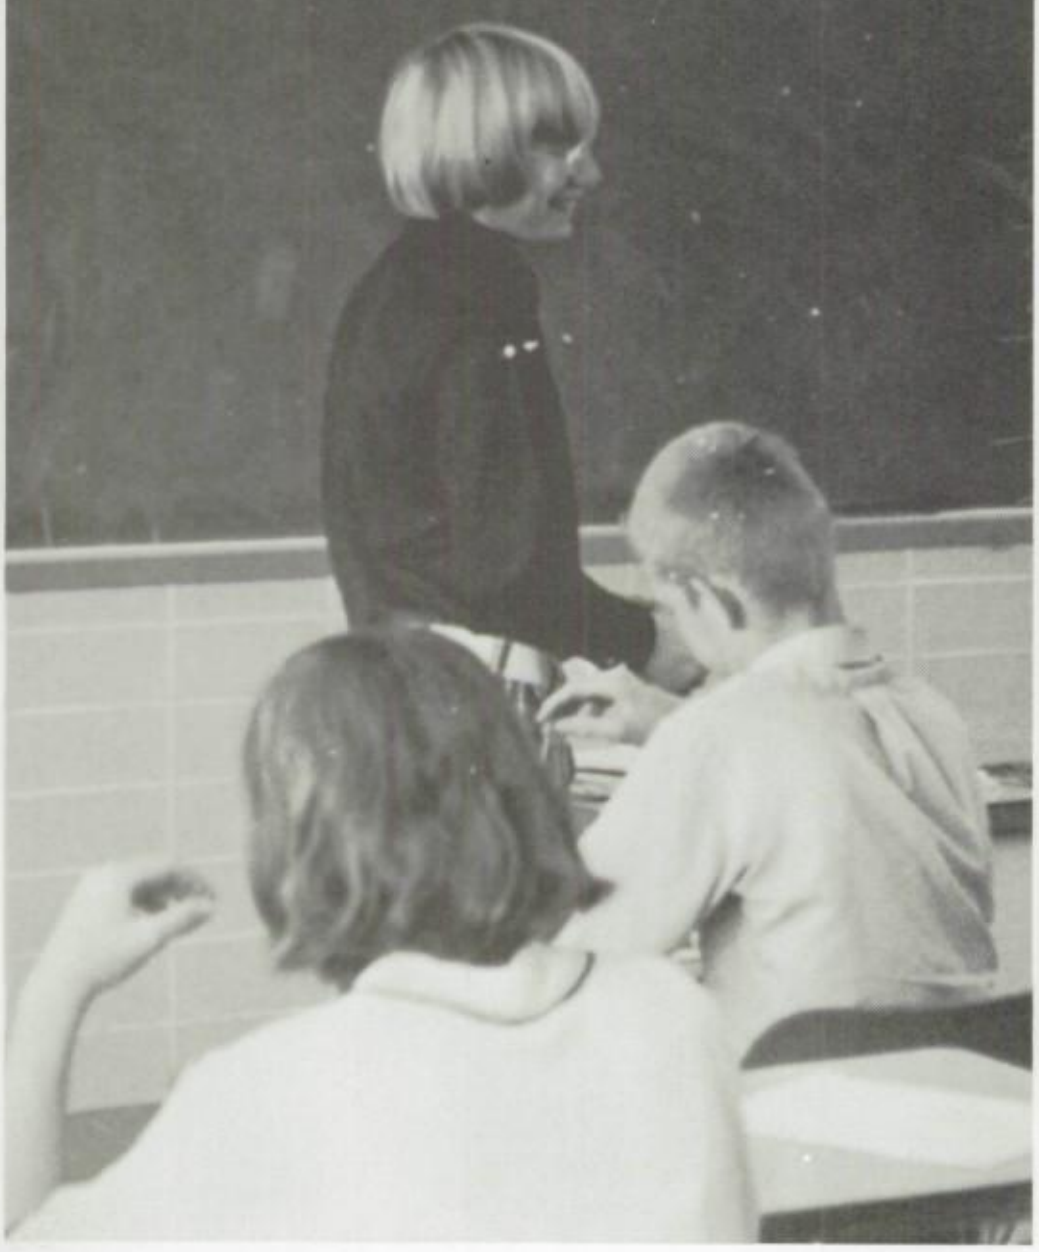
Now do we belong?

What's the scoop, Groovy Guru?

What do you mean, we don't belong?

Men Getting Involved

The 1973-1974 Key Club



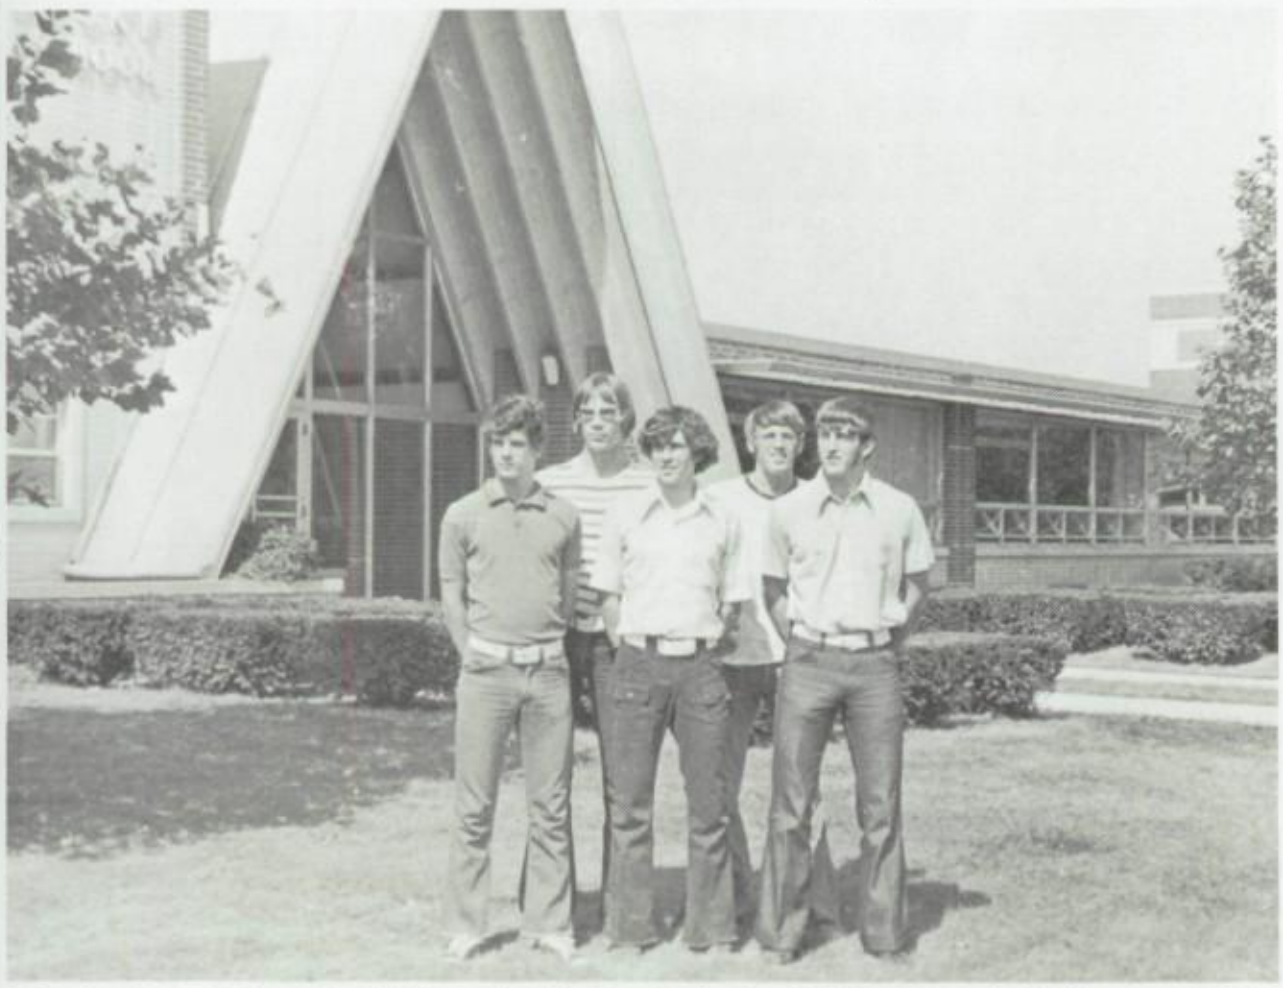
Brian Rowe introduces representatives to his class on Career Day.

The 1973-74 Key Club is headed this year by Craig Kear, President; Mark Kimmel, Vice President; Steve Warner, Secretary; Dave Eyestone, Treasurer; Brian Rowe, Division Lieutenant Governor; and Mr. Walcutt, advisor. These men and the club members have meetings twice a month where they plan out their year full of activities for the school and community. Their activities include: the maintaining of the Students' Bulletin Board, a fall hayride, a slave day, guides for Career Day participants, the collecting for the United Community Fund, maintaining Red Cross Flags, Christmas Welfare Toy Project, and a Kiwanis-Key Club picnic.

Doug Bennett also worked as a guide along with the other Key Club members and Student Council on Career Day.

Fellowship of Christian Athletes

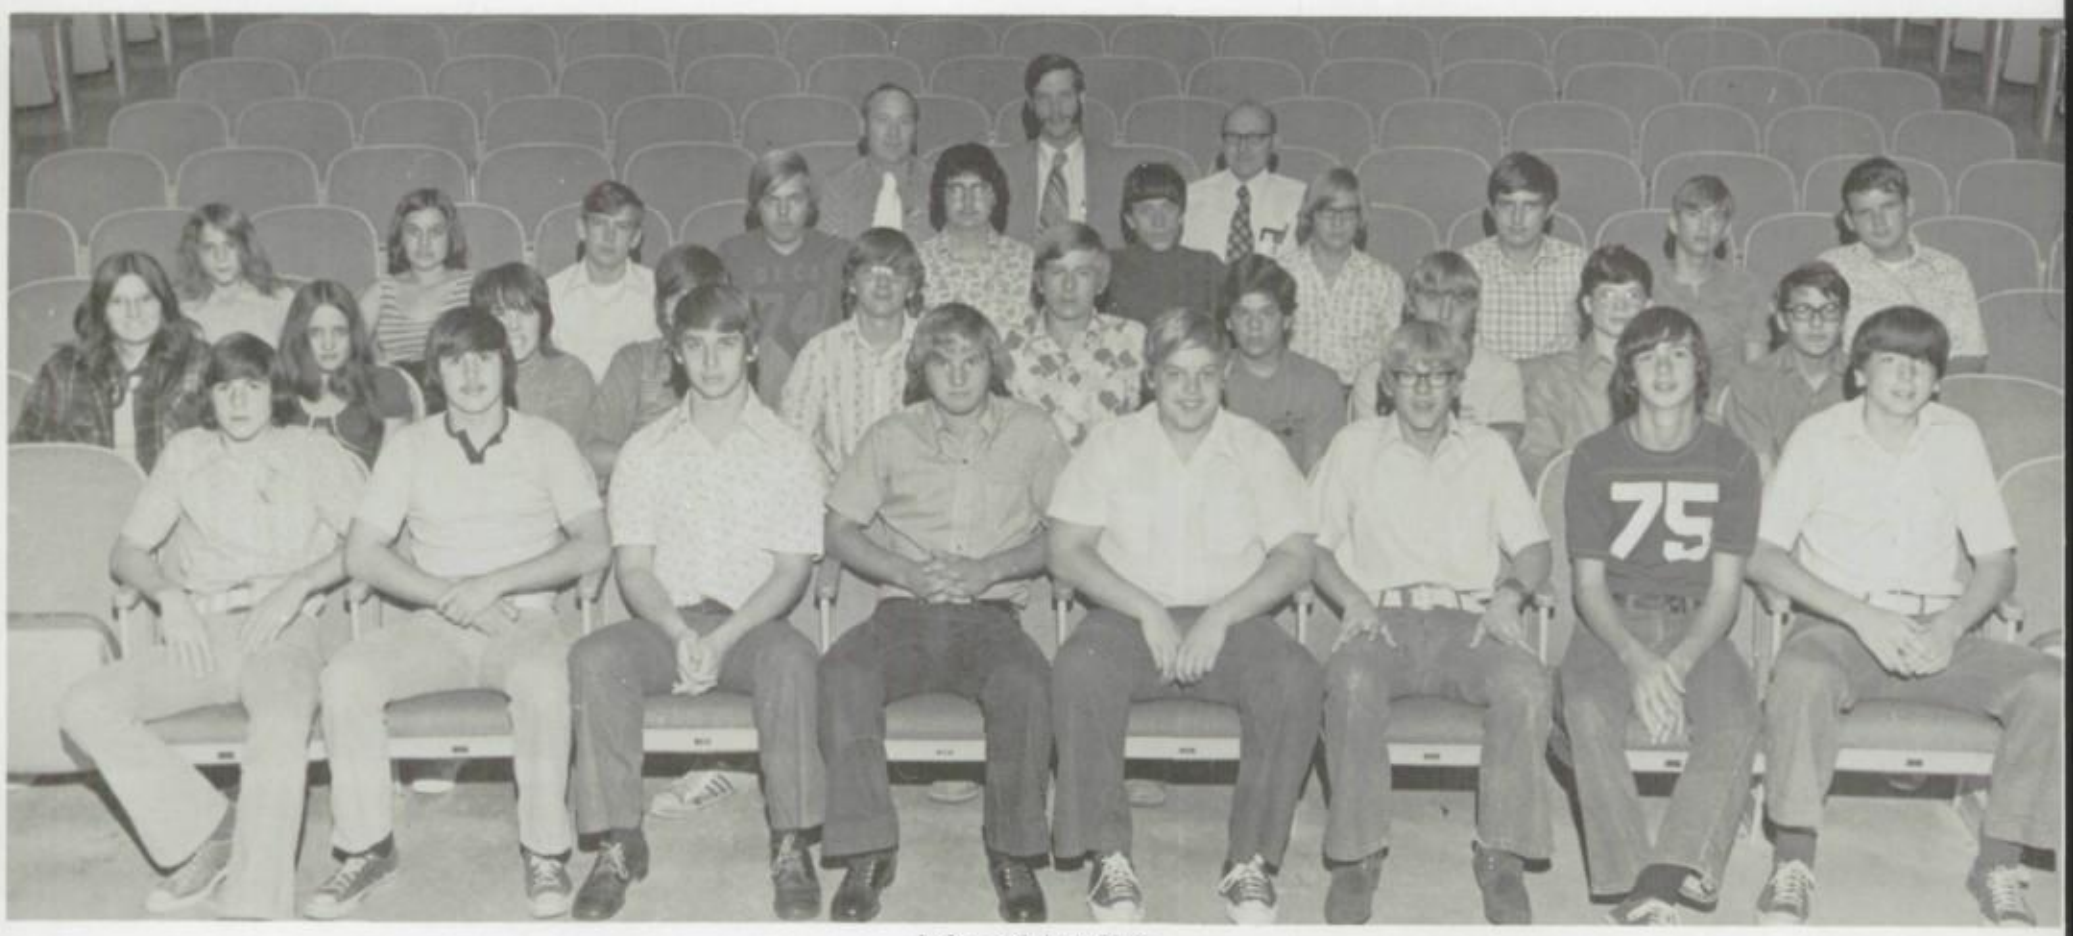
Fellowship of Christian Athletes and Advisors



John Gamber and Scott Gottfried attended Denison University. Bill Sanderson, Ralph Young, and Mark Walton attended Central Michigan University. They participated in the FCA National Summer Conferences.

The Fellowship of Christian Athletes is an organization of Young Christian men that have two important things in common: their love for athletics and their Christian belief. The five men in the picture at the left attended the FCA National Summer Conferences. The purpose of this event is to bring athletes all over the mid-west together for fellowship to share problems and ideas of to-day's world.

"Learning To Live In A Technical World"



Industrial Arts Club

The U.G.W.Y. Industrial Arts Club provides social and technical growth for the members through club activities and industrial tours. The club has constructed a new sign for the Harrison Smith Park as one of its service projects for this school year. The cost of the sign was sponsored by the local Salvation Army Service Unit.

This year the FFA is represented by a tough group: Gene Beidelshies-Reporter; Scott Gottfried-Vice President; Steve Tong-Secretary; Alan Richards-President; Bob Hesson-Treasurer; and Greg Wolf-Sentinel. Their advisor is Mr. Latham. Their activities during the '73-'74 year are the FFA Banquet; FFA-FHA Hayride; and State and National Conventions. Their many contests for the year include Soil Judging, Parliamentary Procedure, Livestock Judging, Tractor Trouble Shooting, Public Speaking, and Wool Judging.

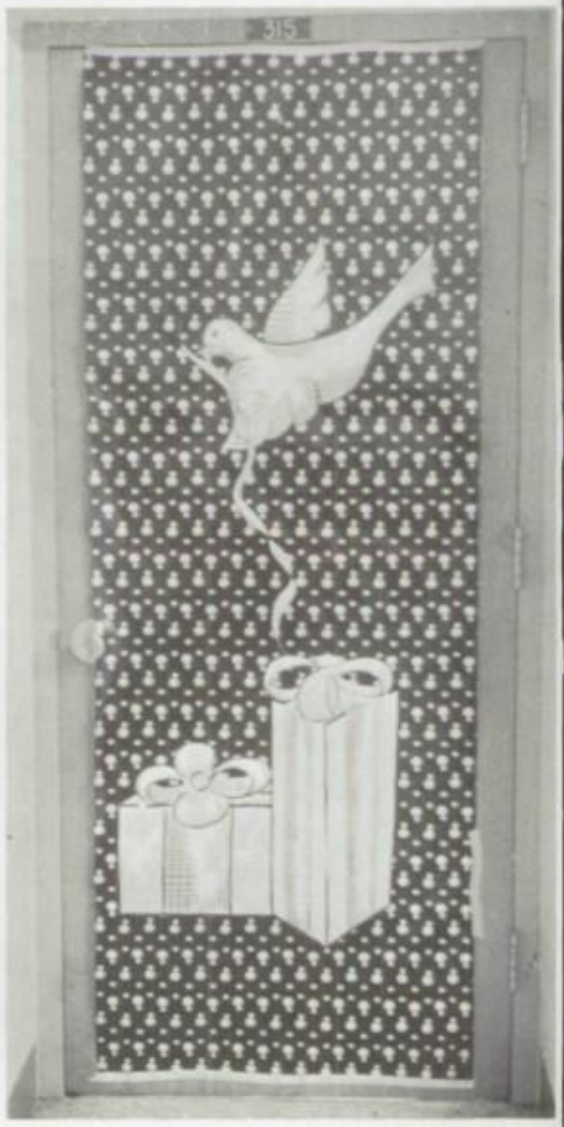
Officers: Deb Morrison-Treas.; Dave Borer-V. Pres.; Cindy Mawer-Pres.; Brian Logsdon-Sec.

This year the student council has kept up their unending attempts to provide the students with enjoyment and satisfaction. Some events this year were the meeting with the School Board to change the dress code, the Homecoming, and the Spring Sock Hop.

A student council Christmas event was decorating doors.



Juniors were the victors of the contest.

The Thespians & Tri-Masque

Thespian and Tri-Masque makes drama exciting and fun. Initiation consists of giving some form of skit by yourself or with a group and doing a scavenger hunt. Activities included a Halloween Party, Mice making and a Valentine Party, Sadie Hawkins Dance and a banquet. If you want to have a lot of crazy fun, drama-wise, join Thespians or Tri-Masque Club.

Silly, aren't they?

Hi-Teens is the largest service organization in the school this year. Over 110 girls hold interest in the club. This year the Hi-Teens again sponsored an orphan overseas. A hayride was held and the annual Christmas Dance attracted many. Christmas time also brought the distributing of gifts to welfare children.

FNA Wants You

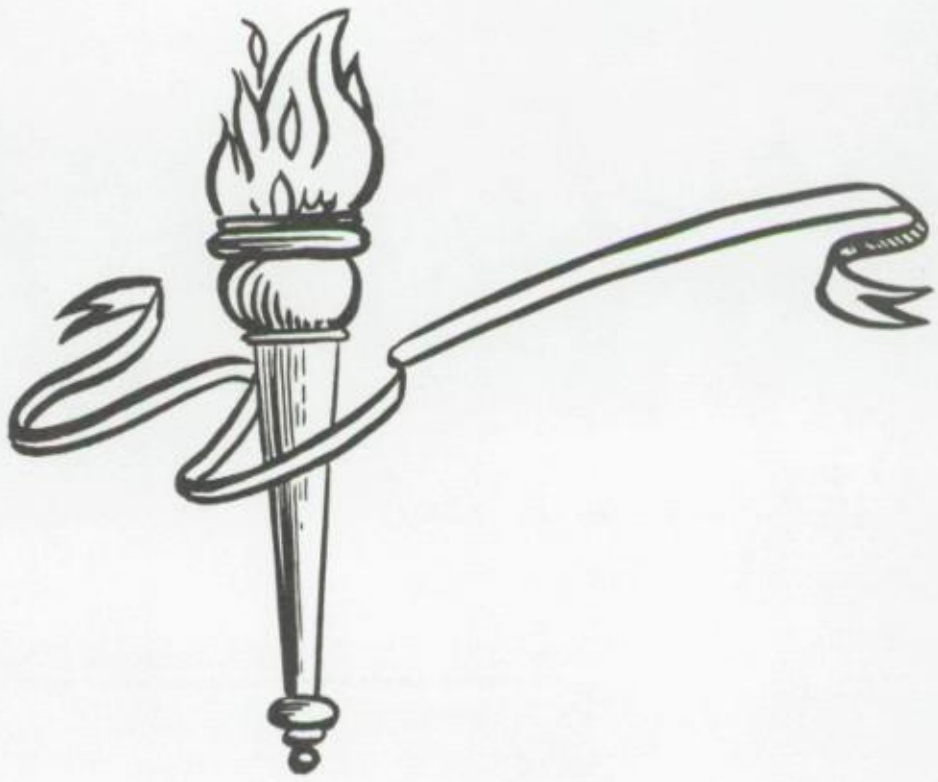
FNA officers

The FNA organization began their year early with a picnic in the spring to elect officers. Their year continued with candy striping at the Wyandot Memorial Hospital. A few of the girls also worked with the school nurse Mrs. Wall and the county health nurse Mrs. Williams. Many of the girls found enjoyment in miscellaneous volunteer work in the community. This club permits exposure to many medical fields.

FTA Helps Teachers

FFICERS: President-Jandee Fogle; Vice President-Jackie Wilson; Secretary-arb Rowe; Treasurer-Nancy Reber; Historian-Sue Shull; and the advisors are lr. DeRhodes and Mrs. Leeth.

The major goal of the FTA members in the future is to install a candy or apple machine in the school for the student body. Activities for the club are to tutor students who need help, honor 100 pt. members with pins, give money scholarships to honor members, sponsor a dance after a ballgame, attend the district FTA convention, observe classroom in session in May, substitute teach when teachers are absent, and grade papers for teachers.



FHA--Always At Your Service

Lend a helping hand is the theme of the FHA Club. This year they hosted a dance and a hayride with the FFA Club. A breakfast was served during the National FHA week to a group of sleepy-eyed teachers. The girls sold Rubbermaid products and Friendship Napkins. They also made gifts for the children at Children's Hospital. Chapter mothers were Mrs. Sanderson, Mrs. Virgil Kummer, and Mrs. Gene Heffelfinger.

1973-74 Varsity Basketball Team

The 1973-74 Ram Varsity Basketball squad, although young and with mostly inexperienced players, was one that Upper fans could be proud of.

The squad was led by All-Ohio candidate, Capt. Steve Long who was the only returning starter from the powerful sectional championship squad of a year ago. Steve led the team, as well as the N.O.L., in scoring. Steve Romich, the only other returning letterman from the previous season, capably preformed as the teams' floor leader. Two other seniors, Brad Thomas and Todd Stief contributed heavily to the teams' success.

Five juniors played a major roll during the 73-74 season: Randy Beidelschies, Joel Kin, Jeff Garber, Marv McDaniel, and Tom Pagnard.

Steve Micheli, a 6'3" sophomore, had the distinction of being the team's tallest player. Jim Reile was a valuable asset to this year's team as a capable replacement for point-guard Romich. Jeff McClain and Eric Lucas also made valuable contributions.
